TD31GRY-1E

Overview

The handsome, V7 Metro Messenger Bag is the perfect companion for the busy professional. The main tablet compartment has ample padding ensuring the safety of your device, and the inner lining is a super-soft, anti-scratch micro-fiber. The flap-over design with velcro closure is easy to open quickly, plus there is a velcro secured back pocket for additional storage. Big enough to handle all version of the iPad yet slim enough to take with you anywhere, the TD31 has a stain-resistant Polyester outer material and comes with an adjustable shoulder strap that extends to 55" so you can wear it across your body comfortably.
